

## it's simple. FRESH COFFEE

We would like to introduce you to our wholesale coffee program. We are a Micro Coffee Roastery located in Fraser, Colorado at an elevation of 8,550 ft. At our Roastery, we work very hard to maintain a high standard for each roast, with FRESHNESS being the key element. We also brew and serve drip coffee as well as a full espresso bar in our three shops, so we are in touch with the flavor you need from each different type of bean. Our goal is to help you expand your business as we expand with you, so service is high on our priority list. Here are some of the advantages we can offer:
